

Landscaping Update

Monuments that had Drift Roses Removed:

Perennial varieties to be planted (Spring, 2017) on those monuments.

Cul de Sac Circles:

Each planted with three Hamyln grasses and five (5) drift roses. Sub committee will re-evaluate in Spring, 2017 for further beautification needs at these circles.

Ash Tree Plan:

First Phase of Ash Tree plan completed.

- Removed 20 ash trees from Covered Bridge Island
- 16 ash trees removed from Copper Meadows Island.
- Planted selkova, pin oaks and red maples at the above.
- Removed two (2) ash trees from Timber Meadows/Post Road.
- Removed one (1) Ash tree from Falcon Hill/Bates.

Second phase of Ash Tree plan commences Fall, 2017.
