

WingHaven Neighborhood Voting Members-Who are they and why are they important.? March 2015

Dear neighbor, Just above this article is a listing of our current Voting Members. Each Village has the opportunity annually to elect a Voting Member and an Alternate. This election process takes place in May and is managed by CMA. These volunteers are critical to our community and have important responsibilities; for example:

- Elect the WROA Board of Directors
- Attend Board meetings
- Provide input and feedback to the Board
- Help communicate rules, standards, policies, and Board decisions to their Village
- Serve on committees, as required
- Report rule violations, unapproved projects and potential future problems within their respective Village

As you see, it is important that your Village elect someone who best represents the Village residents. This person is someone who will stay in touch with his/her neighbors on pertinent issues, communicate with the WROA Board in a professional manner, and take a leadership role. Your Voting Member is the eyes and ears of the WROA Board of Directors and your voice to the Board, if necessary.

So.....look at the list above.....say hi to your Voting Member and Alternate. If you are interested in serving in this capacity, let a WROA Board Member or CMA know.

Dale Kling, President
WROA Board of Directors
