

## **Street/Alley Lights In WingHaven**

The City of O'Fallon is not responsible for any of our street or alley lights.

All street/alley lights in WingHaven are owned and maintained by Ameren, therefore any repair or replacement is the responsibility of Ameren. The only exception are the street lights along Phoenix Parkway, they are the responsibility of the Master Association.

Any light that has burned out should be reported to Ameren, 314-342-1111. Any damaged or broken lights should be reported to Ameren, 314-342-1111.

Ameren will replace any burned out street or alley lights in WingHaven.

- When calling, have the code on the pole including the numbers after.  
Example: Z 4552, OFX085, OF 4552
- If it starts with an "OFX" code you do not need to provide any other information other than that code.
- If it starts with a "Z" or "OF" code you will need to provide a street name and address.
