Presidents Message

- We are 2 weeks from election day and time to display your political signs in the front yards until the 7<sup>th</sup> of Nov. Remember to Vote.
- We have experienced some attempted car break-ins this past month. If you notice any unusual activity please be SURE to call the police and get a report filed. The PD will not investigate until they have an official report. Some of our residents have seen these attempted break-ins on their security cameras.
- Now that winter is setting in please be sure to discharge your sprinkler systems and disconnect all hoses from the outside faucets. This can eliminate a huge and costly repair.

Stay Safe and have a fun Halloween

Bill
