

## Presidents Message

Feb 21<sup>st</sup> 2022

I want to thank all of our residents for their cooperation during the last snowstorm. For the most part all streets were clear of cars so the City trucks were able to navigate uninterruptedly.

Just a heads up... All dead trees and their stumps must be removed by June 1<sup>st</sup>. The O'Fallon City Code team will be inspecting the community for any remaining dead trees. Be forewarned that they will issue summonses and/or fines for any dead trees not removed. Please plan ahead and get the work scheduled.

Have a great month!

Bill
